Isaiah 52:7

How beautiful upon the mountains are the feet of him that bringeth good tidings, that publisheth peace; that bringeth good tidings of good, that publisheth salvation; that saith unto Zion, Thy God reigneth!

Well, sorry it has been so long since our last newsletter. Deborah and I have been very busy. Last week we were in Japan at New Life League Japan, please visit them at their web site; <http://www.nlljapan.com/e/index.htm>

It will be worth your while to go and have a look. New Life is where all of the printing for our Bibles is done. Not only that but here are some interesting Facts about New Life League Japan.

They have been in existence for over 50 years, have printed Bibles in almost every language, and sent Bibles to every country. 1.8 Million Chinese Bibles were printed in 2007 alone, and 5 million in other languages. We were overwhelmed

when we saw what a huge effort it is to print, and carry Bibles not just to China, but to many other places that are harder. For instance our

brother and good friend Vidar Aronsen told about the N Korean Bibles that they printed and had released by balloons over N Korea. They are so small, only 1.5 by 3 inches.

Their work is staggering to us as we are only involved in distribution of the Chinese ones. Well now we are a little more involved in Japan. We have taken them up on their offer of helping them design and build a web based database to track Manufac-

turing orders for all these International Orders. It is a big job, possibly a year or more in the making. (My background is in this

kind of programming) So our purpose in Japan this week was to scope out all the details of making a system like this work. I am glad to have Deborah along side of me. She asks the right questions, and knows how to logically put all the information together in one place. We spent all Monday through Wednesday in Meetings to plan this database, and it took all of that to lay it all out. Next step is to take it, and build a model for it. Take the model back to Ja-

pan to see if we missed anything, and then we actually get to build it. What an honor for us to be able to help New Life League Japan, in the quest of printing Bibles in every language, and sending them all over the world. We can do all of the work here in HK or elsewhere, and only have to be in Japan for the major things. We are still continuing to lead teams, and Deborah is still acting as LifeCIV Team Coordinator. So we still have much "normal" work to do as

well. Looks like it is going to be a busy year. Please pray for us as we are preparing to start these new endeavors. Pray that we are able to understand Gods perfect will in our lives, and pray that we hear His voice clearly.

Revelation 22:17

And the Spirit and the bride say, Come. And he that heareth, let him say, Come. And he that is athirst, let him come: he that will, let him take the water of life freely.

Beautiful Feet Ministries

Well, we have been praying for two years that God would give LCI an office. It appears that He has done Just that. Starting in March we will take over 2 small offices in Landmark Center. We will have maybe 600 sq feet as administration, and another 600 square feet just down the hall to pack our wares out of. God's timing is perfect. Sheung Shui Center was about ready to take action on us for being a commercial entity. So God has heard our call of distress and opened up some office space right across the street. Neither one of the offices are much more than shell's so please pray for provisions for us, and that we are able to have all the PC's we need, and all the other things that go along with having an office. ONE good thing it will give us is the ability to have morning devotions. Something we have not been able to put into work, because we have always had an office right next to someone's house, and we didn't think they would appreciate praise songs at 0800 AM !!!! So give the Glory to God, we will try to implement morning devotions for all of the LCI Staff!

On another note; We have just found out that our HK visa process is starting, tomorrow!

Just to give you a little History, Deborah and I prayed last year that if God wanted us to stay long term in China, He would have to give us HK work visa's.

One week after we asked this in Prayer we heard from our dear brother Vidar Aronsen about helping New Life with the Japan Database. We believed God was saying STAY by having them sponsoring our HK visa. Our Visa application was finally submitted 01/30/2008 (YEAH!). If we are denied HK work visa's here, we are not sure what we will do. Immigration for us in Hong Kong is kind of a grey area, and we fall thorough the cracks.

Our apartment lease is also up in August, so we hope we have an answer well before then. Please pray for us that we see God's perfect will for our lives and we hear His voice over all. So in order for us to continue serving God in China our HK Visa's must be approved. Please pray for us, and for God to make His perfect will known to us. ...

Blessings in Christ to all of you ...

Prayer Requests ...

Pray for the customs and immigrations officials that are confiscating our Bibles, that they would read them, and that God would open their eyes.

Pray for Unity and love among the bretheren that are here working. Things are going well but there is always that spiritual battle that we face every day.

Especially, pray for our Chinese brothers and sisters who are suffering for there faith in Jesus Christ. Who are willing to give up there lives in order for our brethren to have God's Word.

Pray for the software that New Life has asked me to write, that it be exactly what they need, and for good communications between all the parties concerned.

Please pray For my Fathers health, and comfort.

Please pray for the border situation, its really hard for us to get anything through these days.

Pray that Deborah and I see God's perfect will for our lives, and pray He shows us what direction He is taking us ...
